DISTRICT OF NEW MEXICO**

In re: COURT ADMINISTRATIVE MATTERS:
Correction to Local Rules Adopted August 2, 2010

No. MP 10-00001-S

ORDER ADOPTING CORRECTION TO LOCAL RULES ADOPTED AUGUST 2, 2010

On June 30, 2010, the Court entered an Order Adopting Local Rules. It having come to the attention of the Court that the language contained in NM LBR 4001-1.4(a)(1) and NM LBR 9013-1.1(c)(1)(A), as adopted effective August 2, 2010, should be re-organized to properly reflect the substance of those rules,

IT IS HEREBY ORDERED, that NM LBR 4001-1.4(a)(1) is corrected and restated as follows:

(1) Notice of Deadline for Filing Objections. The movant shall file and serve a notice of the motion which identifies the motion, sets forth the time for filing an objection, and, unless the motion is served with the notice, adequately describes the relief sought and provides any other information necessary to give adequate notice. The notice shall also state that if no objections are timely filed, the court may grant the relief requested without further notice or a hearing. If no objection is timely filed, the movant shall promptly submit to the court a proposed form of order, reciting the notice given and the date of expiration of the time to object, in lieu of the default procedure set forth in Fed. R. Bankr. P. 7055. Unless otherwise provided by the Federal Rules of Bankruptcy Procedure or these rules or unless extended or shortened by order of the court, the time for filing an objection shall be 21 days from service of the notice; and

(A) Obtain a Hearing After Objections are Filed. If an objection is timely filed, the movant shall contact the courtroom deputy for the assigned judge to request a hearing. The movant thereafter shall promptly file and serve notice of the hearing.

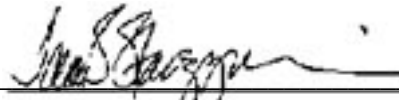

IT IS HEREBY ORDERED FURTHER, that NM LBR 9013-1.1(c)(1) is corrected and restated as follows:

(1) Notice of Deadline for Filing Objections. The movant shall file and serve a notice of the motion which identifies the motion, sets forth the time for filing an objection, and, unless the motion is served with the notice, adequately describes the relief sought and provides any other information necessary to give adequate notice. The notice shall also state that if no objections are timely filed, the court may grant the relief requested without further notice or a hearing. If no objection is timely filed, the movant shall promptly submit to the court a proposed form of order, reciting the notice given and the date of expiration of the time to object, in lieu of the default procedure set forth in

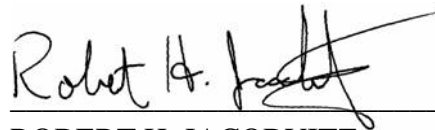

Fed. R. Bankr. P. 7055. Unless otherwise provided by the Federal Rules of Bankruptcy Procedure or these rules or unless extended or shortened by order of the court, the time for filing an objection shall be 21 days from service of the notice; and

(A) Obtain a Hearing After Objections are Filed. If an objection is timely filed, the movant shall contact the courtroom deputy for the assigned judge to request a hearing. The movant thereafter shall promptly file and serve notice of the hearing.

ORDERED FURTHER, because these corrected and restated rules do not constitute substantive changes to the Local Rules, they are effective as of August 2, 2010.
